Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Company Secretary

EXPLANATORY STATEMENT

The purpose of this Explanatory Statement is to provide shareholders with information that the Board believes to be material to shareholders in deciding whether to approve the resolutions detailed in the Notice.

Consideration of Reports

The Australian Corporations Act requires that the Financial Report, Directors' Report and the Independent Audit Report be laid before the Annual General Meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of shareholders at the Annual General Meeting on the reports. However, shareholders will be given ample opportunity to raise questions with respect to these reports at the meeting.

Election of Directors

Resolution 1 – Election of Mr Patrick Elliott as a Director

Patrick Elliott retires in accordance with the Company's Constitution and, being eligible for election, offers himself for election as a director of the Company.

Pat was appointed as a director on 19 July 2011. His experience, qualifications and special responsibilities are set out on page 11 of the Company's Annual Report.

Resolution 2 – Election of Mr Seen Feldskov as a Director

Steen Feldskov retires in accordance with the Company's Constitution and, being eligible for election, offers himself for election as a director of the Company.

Steen was appointed as a director on 12 April 2022. His experience, qualifications and special responsibilities are set out on page 13 of the Company's Annual Report.

Resolution 2 – Issued Share Capital - Dilution Policy

The Company has in place a dilution policy (**Dilution Policy**) which provides that the Company will not, without the approval of shareholders, issue further securities for cash unless :-

- (i) such issues do not result in the aggregate number of securities issued for cash in the 12 months before the issue date exceeding 15% of the entire issued capital of CAP-XX; or
- (ii) such issues are done by way of a rights issue or offering in favour of all holders of securities.

The effect of Resolution to is to ratify these prior issues of shares such that they will not be counted towards the 15% limit for the purposes of the dilution policy and to "reset" or refresh the 15% annual limit effective as at the date the resolution is passed.

If Resolution 3 is not passed, then CAP-XX's 15% issue capacity under the Dilution Policy will not be refreshed, which will restrict CAP-XX's ability to issue securities or seek funding by way of capital raisings over the next 12 months.

CAP-XX currently has no plans to raise additional capital but the Board believes the ability to place shares provides CAP-XX with financing flexibility.
